How? By Focusing on Lasting Value

- Help organizations advance their business operations through the best combination of business process improvement, shared services, outsourcing and offshoring

REPUTATION MATTERS

Credentialed: TPI has guided 45 percent of the largest companies in the world through complex programs of structural change for their business support functions. More than 80 percent of our revenue comes from repeat clients and referrals — testimony to a culture of business oriented achievements earned over many years. Our credentialed advisors and the company as a whole have earned numerous industry and trade association awards for exemplary service and innovation.

Experienced: Leveraging the insight derived from serving as the advisor on more than 25 percent of the total outsourcing contract value awarded each year, we know how to guide clients toward the right solution for each unique situation.

Global: Possessing practical experience in global operations and a presence in all major geographies, TPI's roster of advisors appreciate the significance of interconnected economies and the power of integrated business processes.

Objective, Informed: The outcomes that TPI recommends are entirely driven by the client situation and meaningful understanding of market realities.

ABOUT TPI: TPI, an Information Services Group company (NASDAQ:III), is the founder and innovator of the sourcing advisory industry, and the largest sourcing data and advisory firm in the world. We are expert at a broad range of business support functions and related research methodologies. Utilizing deep functional domain expertise and extensive practical experience, our accomplished industry experts collaborate with organizations to help them advance their business operations through the best combination of business process improvement, shared services, outsourcing and offshoring. In 2010, the International Association of Outsourcing Professionals ranked TPI no. 1 in its Global Outsourcing 100: World's Best Outsourcing Advisors. For additional information, visit www.tpi.net.
